ISSUES 4

Kathy: Come on, I'm gonna be late.

Xiaoli: Oh, who are you? What have you done with the real Kathy?

Kathy: Shut your face come on let's go.

Xiaoli: How did you sleep?

Kathy: Much better, I mean I didn't take any of the pills but speaking to the counsellor actually really helped.

Xiaoli: Oh, glad to hear that! You actually look better.

Kathy: Thanks. How about you?

Xiaoli: I'm still so angry with that guys and thesesupid mates. It was so humiliating the way they spoke to me. How can people be so disrespectful?

Kathy: Just ignore them, boys will be boys, they're just morons. All right what this is me.

Xiaoli: Oh I thought you were running late?

Kathy: Yeah but I'm just gonna get something from the library first.

Xiaoli: Oh I like the new you.

Kathy: Thanks you very much, catch you later alligator.

Xiaoli: Hey, what the hell is wrong with you? Your mates called me a slag.

Guy: Look, don't get it wrong.

Xiaoli: Get what wrong?

Guy: I didn't mean for any of that to happen. I'm sorry.

Xiaoli: Not as sorry as me. I'm really angry with you, we didn't even do anything.

Guy: It was those guys, they were pushing me.

Xiaoli: So you made up loads of lies.

Guy: Well yeah I lied, but I didn't mean to I just said that we made out but that I wasn't interested.

Xiaoli: Thanks a lot Anyway how is that a defense? You shamed me.

Guy: They're all [__] I'm not talking to them anymore I'm so sorry. I got it wrong I know I did but and I feel bad but Adam was showing off about Kathy.

Xiaoli: Did he take advantage of her?

Guy: What no no she, I don't want to judge her but she seemed to be having a good time.

Xiaoli: She was drunk she just pretend she doesn't care, but inside she's struggling. Uni is hard enough without this crap.

Guy: I'm pretty sure it was consensual. Kathy took Adam upstairs, not the other way around but Xiaoli I'm really sorry for all the trouble I've caused for you.

Xiaoli: Okay I guess. You just want to fit in, but these guys are obviously not the right crowd. You should have some better friends. Aren't you in a society of some kind?

Guy: Yeah I'm in the gaming society. Amjit, my housemate is in that. Oh yeah I think I've seen him around, he's seems sound.

Xiaoli: He's a slacker but he knows his stuff.

Kathy: Still annoying. Oh, find me one who isn't.

Xiaoli: I'm sorry about Adam.

Kathy: Oh not as sorry as me. What was I thinking hooking up with him?

Xiaoli: That's the problem.

Kathy: Yeah okay well I'm turning over a new leaf now it's just veggie smoothies all the way. They're actually pretty good if you add peanut butter or banana.

Xiaoli: Here's to new beginnings, yay!

Amjit: We've been robbed! I've already called the police, they're on their way.

Kathy: Does this have something to do with you?

Amjit: Don't you pin this [__] on me now.

Kathy: Well you've got some pretty dodgy mates.

Amjit: What about your dodgy boyfriend?

Kathy: He's not my boyfriend.

Xiaoli: My hard drive, they took my hard drive. All my university work is on it.

Amjit: You have a backup don't you?

Xiaoli: That is the backup.

Amjit: I mean on the cloud, your Uni Onedrive account. Why doesn't anyone know about this?

Xiaoli: I don't want to talk about your geeky stuff.

Amjit: Fine this is a disaster.

Kathy: I'm gonna check my room too just in case they cleaned it.

Amjit: Bastards my Dad's gonna kill me.

Kathy: Who were those guys that came around the other day?

Amjit: They're just mates.

Kathy: Just mates yeah?

Amjit: From the gaming society.

Kathy: Well they looked dodgy as hell to me.

Xiaoli: The police are here!

Apu: I don't know where all your money is disappearing to and why should I be funding all your filthy drug habits?

Xiaoli: Amjit I'm going to fail my course and it's all your fault. Everything was on my hard drive. Why have you brought this trouble to our house? You don't do that to your friends.

Kathy: What the [__] Ammo. All you do is think about yourself. You're such a dick why don't you just leave, make the world a better place.
